

Looking for a change? Due to our tremendous growth, BE'S Refreshments, NE Wisconsin's premier vending company, is looking for quality people to train to become Vending Route Drivers. Learn all aspects of the vending machine and micro-market world. BE'S uses state of the art technology to provide exemplary service to our many customers. If you are ambitious, have a great work ethic with a customer focused personality, we may be a great fit.

The Route Trainee works with established Route Managers learning the vending business, hands on, during on the job training. The position involves the daily merchandising/filling, inventory and handheld management, and cleaning of all vending equipment.

After time, the Route Trainee will fill in on routes during vacation periods.

Route Trainees will have the opportunity to advance to a Route Manager position after training.

**NO NIGHTS OR WEEKENDS!**

\$550 week/training, commissioned compensation when on a dedicated route, with a full benefit package for all full time employees

We offer health insurance. We also offer access to a health and wellness clinic at a reduced cost, 401K retirement program, company provided free refreshment program, company supplied uniforms and monthly bonuses
